

COVID-19 Information/Relief

In compliance with national and local laws, Bank of Whittier, N.A. is happy to work with mortgage financing clients who are negatively impacted by the COVID-19 by offering payment forbearance for up to 90 days that may be extendable based on circumstances.

The Forbearance allows clients to defer up to 100% of the required monthly payments. Once the hardship has been resolved, clients will be evaluated for a permanent solution of missed payments that can include a **Deferment (adding the amount to end of loan)**, **Repayment Plan** (to pay any amount missed over a period of time in addition to regular payments) or other options such as **Loan Modification** to extend the term.

We will not report to credit bureaus during this period of Forbearance.

There is no fee for this program.
